

## CIRCLE TRACK MAGAZINE – INDEX

1982 to 1995

Listed are subjects of full-length articles, monthly columns that focused on a single subject, and a handful of advertising supplements. Names in **bold face** are National Sprint Car Hall of Fame inductees. Abbreviation (P) refers to the Pioneer era, before 1945. Abbreviation (V) means Veteran era, 1945 to 1969. Others are Modern era, 1970 and up. P/82 = preliminary 1982 issue, before serial monthly publication began.

*Circle Track* originally covered all forms of oval-track racing and included frequent articles and pictorials on the history of the sport. During the mid 1990s, open wheel (Sprint, Midget, Indy car) coverage was phased out, and the magazine shifted to exclusively stock car topics. During the same period, racing technology became the focus at the expense of personalities and history.
